

Big Events

Several times a year, we provide an opportunity for students to invite family and new friends to large events. Some of these include a trip to the Corn Maze, bowling, fall festival/dance, y-night lock-in, WinterJam, Superbowl Party, beach day, and our annual retreat.

Sunday Meetings

Every regular Sunday starts out with a free dinner provided by members of our church. Then, we play a variety of games and contests, and enjoy free time in our youth room, and take time to talk about the gospel through a message and group discussion. We like to call Sunday meetings “chaos with a purpose”.

Monthly Service Projects

Each month, students can choose to participate in a service project that benefits the local church or community. They earn service pins for their participation as a way of showing our appreciation. Some projects include blessing bags, backpack program, and assembling gifts for local care centers.

EVERY SUNDAY

5:30-7:30

Join us Sunday evenings for dinner, games, and the gospel!*

**See special events calendar for full yearly schedule*

Our youth program is open to all students grades 5th-12th in Brookfield and surrounding communities.

Other Activities

Part of our mission is to go out and reach students where they are. One way of doing this is attending sporting events and activities in which they are involved. We also plan days to meet outside of the church at local restaurants and establishments. We also bring in visitors to teach the students skills such as self-defense and public safety.

Safe Sanctuary

One of the most important aspects of our ministry is to provide a safe environment for our students. Each of our leaders has a background check and follows the principles of Safe Sanctuary. For more information, please see the church office or reach out to the youth director.

Student of the Week

Because many of our students do not regularly attend church, we feature a student of the week during our service. This is one way our congregation can get to know the students and put faces to our growing ministry. We feature a short biography and photo on our service slideshow and then its displayed on our youth board.
